RULES FOR VENTURA 2026 CHESS TOURNAMENT

ANNUAL SPORTS MEET • IIIT VADODARA • VENTURA 2K26

Official Rapid Knockout Draft

1. REGISTRATION RULES

- Registrations will be online.
- **Registration deadline:** 18th October 2026.
- **Participation fee:** Rs. 20/-
- Entry is individual. One player per entry.
- At registration, every player must choose the mode: **Offline** (physical board at venue) or **Online** (on Chess.com).
- Online players must provide their correct Chess.com username at registration and use only their college email id.

2. TOURNAMENT FORMAT

- The tournament is a **single-elimination knockout**. The winner of a match advances; the loser is out.
- The bracket will be drawn randomly by the committee after registration closes.
- The bracket size will be the next power of 2 above the number of players (empty slots filled with byes).
- Byes will be given only in Round 1 and distributed evenly across the bracket. No player gets a bye twice.
- Rounds proceed from Round 1, Round 2 to Quarter-Finals, Semi-Finals, and the Final.
- The **Final will be played offline on a physical board** in front of the committee.

3. GAME'S RULES & REGULATION

- Each match is a single game of chess.
- **Time control:** 10 minutes per player with no increment (**10+0**).
- Colors for each match decided by committee or coin toss. All official FIDE rules apply.
- **Touch-move rule** applies in offline matches: a piece touched must be moved; released piece must stay.
- The arbiter's decision will be final. Misconduct or arguing with arbiter leads to game loss or disqualification.

4. DRAW AND TIEBREAK RULES (ARMAGEDDON)

Armageddon Game: A drawn game will be settled by an Armageddon game played immediately. In Armageddon, colors are swapped. **White gets 5 minutes and Black gets 4 minutes**, with no increment. If the Armageddon game is drawn, **Black wins the match**.

Draws by agreement are allowed only after move 20. Before that, the draw must be approved by the arbiter.

5. OFFLINE & ONLINE PLAYING CONDITIONS

- **Offline Matches:** Boards, pieces, and digital clocks provided by committee. Players must report to table at announced time (more than 5 minutes late loses by forfeit). Mobile phones must be switched off and kept away. Spectators must stay silent.
- **Online Matches:** Played on Chess.com. Opponents paired by username; designated player creates 10+0 unrated challenge. More than 5 minutes late loses by forfeit. Winner submits game link/screenshot immediately. **Use of chess engines, databases, or outside assistance strictly prohibited** (disqualification for cheating).
- **Matches Between Online and Offline Players:** If chosen modes differ, the committee decides the mode and informs both players in advance.
- **No-Show:** Opponent wins by walkover if a player fails to appear. Players not playing due to committee error will receive a fee refund.
